SUPPLEMENT TO 25X1X
REPORT NO.

1. An official of the Aliens' Control Bureau in Braila has stated that he had received instructions from his headquarters in Bucharest to grant exit visas to foreigners desiring to leave Rumania within a maximum of 30 days from the date of their original request.

25X1X

2. [REDACTED] stated that naturalized Rumanians of Greek origin residing in Constanta had been informed that they could leave Rumania for Greece if they so desired, but that they would be granted a Rumanian "Titre de Voyage" instead of a Greek passport.

25X1X

3. [REDACTED] who lived for many years in Rumania received a cable from a friend in Bucharest during May 1950 which stated that the special section of the Swiss Legation which handles Greek affairs would close on 31 May 1950, and that Greek applications for departure from Rumania were being processed with greater haste than formerly. No indication was given as to what authority in Rumania might take over the responsibility for Greek affairs when the Swiss give it up.

25X1X

4. [REDACTED] during May 1950 from Bucharest, stated that exit visa applications of foreigners who desired to repatriate from Rumania, many of which had been pending for many months, were now being granted "easily".
